Dear Parents,

I would like to take this opportunity to thank everyone who organised, donated to and attended the St.Mary's Christmas Fair. It was a resounding success and it was lovely to see so many people attend and support the school community. Special thanks to the FOSM for all the hard work which has gone into the preparation for this special event.

Mr Talbot

e-Safety Parents' Session

On Monday 1st December at 6.30pm the school will be hosting an e-Safety session for parents. The session will be run by Jon Farley of North Yorkshire Schools' ICT service and will give some valuable information and tips about ways to keep children safe online.

Kitchen Assistant

A kitchen assistant is required for the school (term time only). For more details on hours, pay and the role, please contact Mrs Moore in the school office.

Parent Governor Election results:

Thank you for all your votes for our position for parent governor. I am pleased to announce that the candidates with the highest number of votes were Mr Marcus Philpott and Mrs Joanne McGillan and they are duly elected as new members of our governing body. The role of a parent governor is to give a parental perspective and represent the views of all the children. Please continue to come to your class teacher for any queries, questions or issues you may have as this is not the role of the parent governor. Thank you for supporting our elections.

Swimming Action

Some of our Year 4 pupils will be taking part in a local swimming gala on Thursday. We wish them the very best of luck!

Admissions

Applications for September 2015 are open until January 2015, further visits from parents looking to apply for a primary place are more than welcome to come and look around the school. If you know of a parent who is looking for a school place for their child, please let them know about us!

St.Mary's In The Press!

The more eagle-eyed of you may have noticed that we are the subject of an article in this week's Knaresborough Post, where page five of the newspaper contains a great article about sport at St.Mary's. Thank-you to Mr Wilson and Liz Jones for organising this for the school.

First Holy Communion

Thank-you to all of the Swale Class (Year 3) parents who attended the first information session for First Holy Communion on Monday night. Both myself and Father William were delighted to see so many people attend this session. A special thank-you also to the Catechists who are running the programme this year.
